

What is Walk for WES?

Walk for WES focuses on fitness and exercise while raising funds to support school enrichment programs.

Walk for WES begins with an exciting kick-off on June 6 and culminates with all WES students and staff walking, jogging, running or skipping around a designated track on the WES campus on field day (June 19).

Why Are We Doing This?

To promote a healthy lifestyle and help children get on the right path to lifelong fitness and health. Studies show that daily exercise can help children learn by increasing mental clarity, energy, weight loss and more!

To raise money to support and enhance the enrichment of our children's education at WES.

"Exchange fundraisers" require our children to sell items such as candy bars, wrapping paper and magazines.

These companies typically charge our school anywhere from 40-50% to run these sales.

Conversely, 100% of funds raised through

Walk for WES will go directly to support our children's education.

Last year's Walk for WES was our most successful fundraiser EVER!

With your help we can do it again!
