

WES Family Update: 5/7/21

Renzi Award Winners:

- This award was originally established by a citizens committee to honor the career of longtime Williamstown Elementary teacher and administrator, Helen Renzi. A committee consisting of administration, fifth and sixth grade teachers, and specialists in art, music, library, physical education, and technology, determine the sixth graders who best exemplify the qualities of a good citizen that we value at WES: kindness, enthusiasm and helping others.
 - This year's Renzi award winners: Ward Bianchi, Noah Fredette, Reese Raymond and Nora Stricker
